General English

Study English within a top English Language College. Boost your English skills, with practical and fun classes.

About the course

Learn English through a variety of activities aimed at improving grammar, vocabulary, pronunciation and the skills of reading, writing, listening and speaking. Throughout the course there is a strong emphasis on English for communication.

What else is included?

All students will receive 1 Anglia examination entry, Burlington English headset and access to the Burlington suite of online English language learning programmes. Students studying for 20 or 25 hours a week have a choice of extra subjects. You can choose from:

- Preparation for IELTS
- Preparation for TOEIC
- Skills for English
- Business English
- Preparation for PET, FCE, CAE, CPE

Available courses will depend on student's level of English and specific courses cannot be guaranteed.
